Ms. Judith Kaleta
Acting Secretary
U.S. Department of Transportation
1200 New Jersey Avenue SE
Washington, DC 20590-0001

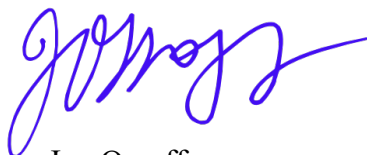

Dear Ms. Kaleta,

I write in support of the application submitted by the City of Johns Creek, Georgia for funding through the U.S. Department of Transportation's (USDOT) Better Utilizing Investments to Leverage Development (BUILD) program.

The City of Johns Creek plans to use this funding to replace two bridges on Old Alabama Road. The new bridges will be wider, reducing congestion, improving resiliency, and connecting residents with important community resources including a middle school, a county library, and a local church. The project aims to greatly improve connectivity for residents and boost overall economic development in Johns Creek.

I urge USDOT to give the City of Johns Creeks' BUILD Program application its fullest consideration. Should you have any questions, please do not hesitate to contact my office.

Sincerely,

Jon Ossoff
